

NOTICE OF STALE DATED CHECKS

The following is a list of BOTH current and past CVTC members who have not cashed their check from the 2006 general retirement payout. As required we are posting the list prior to sending out letters.

IF YOU FIND YOUR NAME - send an email to the address found at the end of the list or call us with a phone number where you can be reached. Our customer service dept. will contact you to obtain the information needed to reissue the check.

IF YOU FIND A FRIEND'S NAME - contact them and let them know we have a check to reissue to them. They will need to follow the same process as stated above.

Thank you for your assistance!
