

# CVT STOREFRONTS REOPEN

Copper Valley Telecom opened both the Valdez and Glennallen storefronts in June. In an effort to keep both our customers and our employees safe, we are currently requiring that you wear a face mask during the entirety of your visit as well as answer a short series of questions before entering the store. In addition, our staff will also take extra safety precautions to protect themselves and our customers. As always, we have several alternative methods, listed to the right, for you to conduct business with us if you prefer not to visit a storefront. Thank all of you for your patience and understanding during this difficult time.

## 2020 CVT ELECTION RESULTS

Due to COVID-19 concerns, the CVT Board of Directors postponed the in-person portion of CVT's Annual Meetings. Ballots were received by mail, and counted by the Credentials & Elections Committee. Members voted yes on all four of the proposed bylaw amendments.

In addition to the bylaw amendments, members voted for the positions of three Board of Directors. Just as for-profit corporations have shareholders who elect a Board of Directors to oversee the company and protect interests, cooperative members also elect a Board of Directors to oversee the Cooperative and protect the members' interests.

Those directors spend many hours every month reviewing information and participating in Board meetings. They set policy for the company and oversee the overall success of the Cooperative.

For the 2020 CVT election, the Valdez district elected Robin Chaffin to serve a three-year term, and the Glennallen district has elected Terry Valentine with a two-year term and Karen Linnell with a three-year term.

The election results are to be certified at the June 30th Board Meeting. For more information, please visit [www.cvtc.org/news/2020-cvtc-election-results](http://www.cvtc.org/news/2020-cvtc-election-results).

As part of the 2020 Annual Meeting election process, long time Board Directors, Tami Jindra, and Mike Britt chose not to seek re-election. CVT extends our sincerest gratitude to Tami for her twelve years of dedicated service, and to Mike for his nine years of commitment to the Cooperative!
