## INDEPENDENCE FOR THEM PIECE OF MIND FOR YOU

Thank you to all the Copper Valley Telecom family and friends who were able to join us for the 2022 Customer Appreciation Family Fun Picnics. In Glennallen, we fought off rain and wind like the true Alaskans we are! Then, to our surprise, the Valdez skies opened up and the sun came through shining!

We feasted on grilled hotdogs and juicy hamburgers, ice cold soda, freshly made cotton candy, and an array of sweet treats. Smiling kids ran from bounce house to bounce house, battling each other at carnival style games! There was fun to be had, and we were having it!

We look forward to planning a fun event in Cordova, so stay tuned!

**For attending this year's Customer Appreciation Picnics!**

## THE LATEST DIRT ON CONSTRUCTION

We are excited to report Gulkana Airport's new cell tower is on-air! Foundations for new cell towers are being built in Mentasta and Thompson Pass, extending our telecommunications capabilities in these areas, as well. Activation for these new sites is planned for by the end of the fall.

As new cell sites go up, some must come down! The sun has officially set on 3G - CDMA network. VoLTE capable devices need to be operating on current software to avoid a loss of service. We are proud to bring you a more powerful network!

For updates on this project and more, visit [cvtc.org/construction](https://cvtc.org/construction).

**ENTRANCE FEE: 1 non-perishable food item per person**

(or cash donation) All donations will go to local food banks. Expired food items cannot be accepted.
